Would You Pay  
\$10,000 for Software?

In 10 years -

Software can cost \$10,000+.  
Investigate thoroughly now.

What about cost after Year 1?

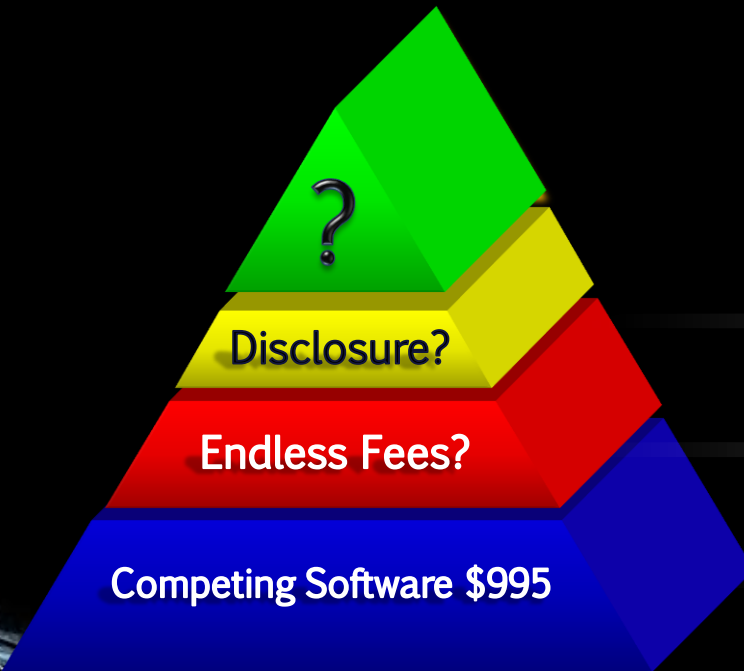

888-427-5779

"Get the facts before getting locked in."

What to look for...  
Where to find it.

Caveat Emptor -

**\$10,000 Software Wears Cheap Clothing.**

Website home pages only  
show the initial cost.

Where are fees disclosed?

More fees after purchase?

First year's down payment

888-427-5779

Demand full written disclosure of all fees prior to purchase!

Do you own the software or are you just renting?

In 10 years -

**Buy or Rent Software?**

*Our competitors rent their software.*

-\$

No Resale

No Ownership

Software Rental

You can't resell it.

You don't own the software.

You buy a software 'license'.

888-427-5779

"The cost of software is total payments minus it's resale value."

Buy from a trusted  
reputable source.
